

COVID-19 Update:

To our Valued Customers,

We at FSI have implemented the following measures to ensure the health and safety of our employees and customers:

- In our warehouse, trucks are sanitized after each use by our drivers.
- We enforce a strict social distancing policy within our break rooms in the warehouse and in the office.
 - ◊ Only one person per table in the break room and employees must maintain a distance of 6ft from others for any circumstance.
 - ◊ Sanitation wipes and hand sanitizer are located in every conference room, every break room, and every printer location.
- We've reduced the amount of employees in the office by allowing staff to work from home.
- We are working to keep items stocked during this difficult time, so we thank you for your patience.

Changes to Be Aware Of:

- We will be closed Fridays, beginning the week of 3/30/20; this will last for the foreseeable future, we will update everyone if/when any changes occur.
